PROJECT OVERVIEW

Hays County is planning for improvements to Hillside Terrace from **IH-35 Northbound Frontage Road to FM 2001**, and **Old Goforth Road from north of Hillside Terrace to Green Meadows Lane**.

PROPOSED IMPROVEMENTS

- Reconstructing and widening Hillside Terrace as a three-lane roadway with a continuous center turn lane and shoulders from IH-35 to Old Goforth Road.
- Reconstructing and widening Hillside Terrace for 5' shoulders from Old Goforth Road to FM 2001
- Improvements to Old Goforth Road to improve connectivity from Buda to Hillside Terrace
- Intersection improvements to Hillside Terrace at IH 35, and Old Goforth Road

The **goals** of the Hillside Terrace Improvements Plan are:

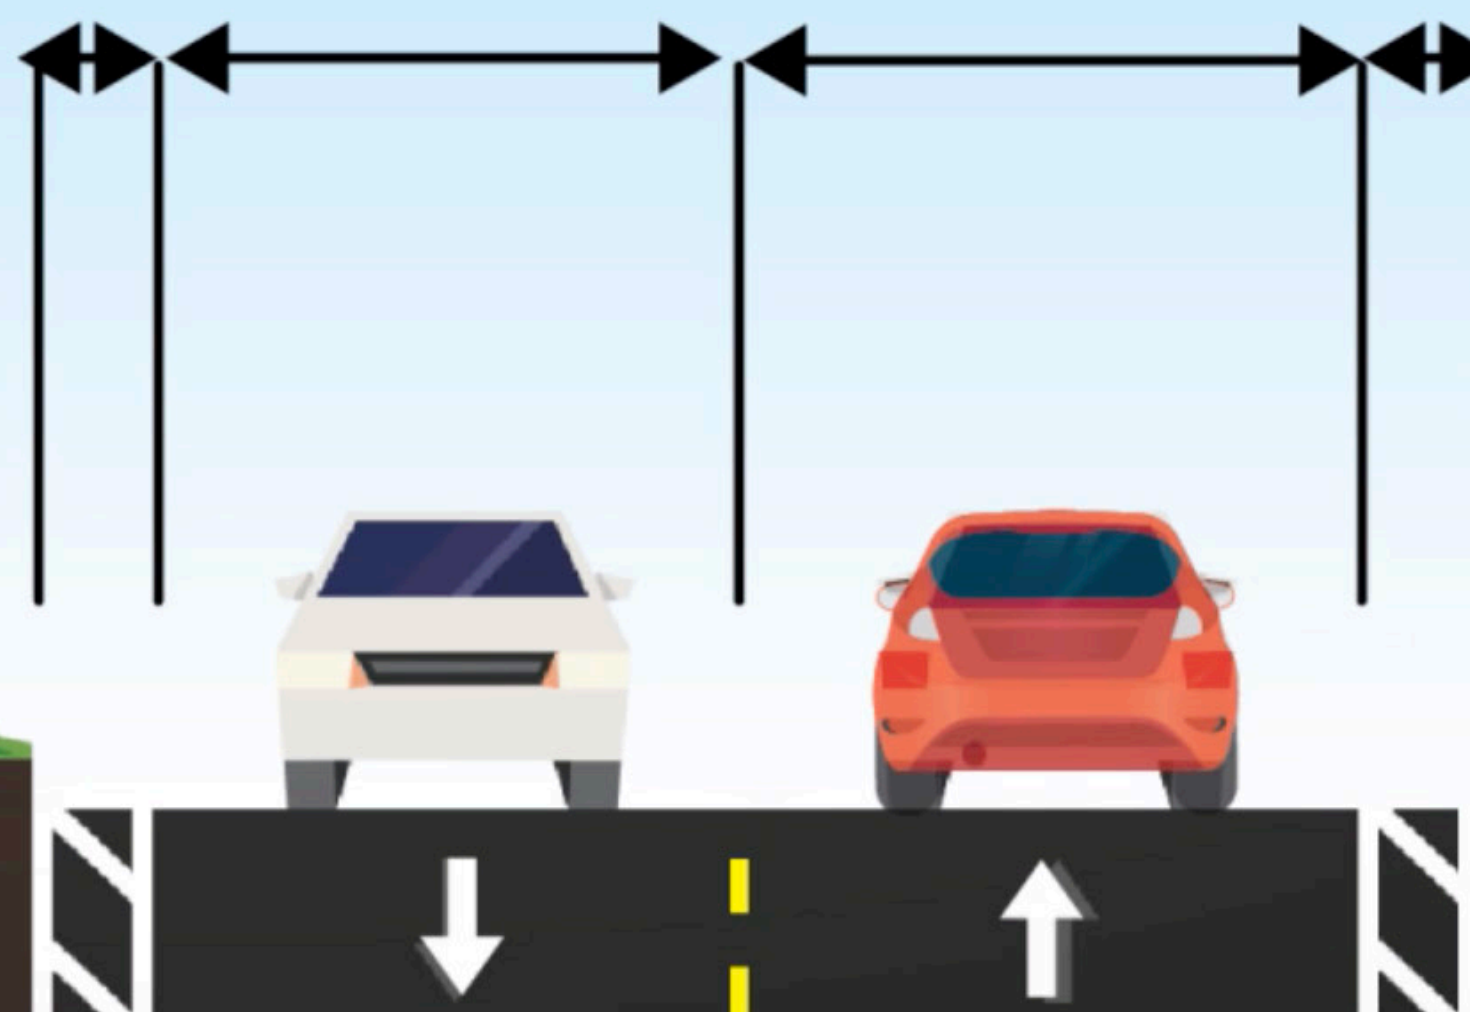

- Evaluate existing conditions
- Identify mobility and safety issues
- Evaluate feasible alignment options
- Recommend an effective route that will meet the needs of the local community of Hays County as well as provide a beneficial regional connection between I-35 and FM 2001.
